- 1) Discussed idea of having a business networking event. Inviting the local businesses and WBPA to our meeting. Coordinating with WBPA to help with inviting those businesses. EDC will work on that once all members are present. Tennant has offered to help with coordinating the business networking event with the WBPA and EDC. Hosted at the Town Meeting Room.
- 2) Discussed election of officers and defined each role. McNally is fine with his role. Morgan would be open to step aside or would need more assistances from the members with her duties due to personal matters at home. McNally will send an email out to all members to start thinking about new officers. We will discuss officers at the July meeting when all are present.
